All,

Please find attached a draft ESA one-pager for the PPDC meeting next month. I was checking my notes. Am I presenting at SFREG next week on 4/11? If so, can I just use this one-pager after your edits are incorporated?

Subject: Synergy and ESA Papers for PPDC

Hi Phil and Ed,

At the IO staff meeting this morning, Rick discussed the upcoming PPDC meeting. ESA and Synergy are on the agenda. The good news is we don't have to prepare presentations on these; they'll both be done under the header "*7. Question and Answer Session on Topic Updates Sent in Advance of Meeting*" (note that the attached draft Agenda is out of date). Can you use the materials you have to develop a draft paper for PPDC? Dea Zimmerman wants these by Monday, April 10, so please have something mid-week this week for me, Anita and/or Marietta to review (maybe Thursday; we'll discuss tomorrow in staff meeting). These should be short and written in plain-language. Let us know if you have any questions.

Best,

Kimberly

Subject: Draft PPDC Agenda for Discussion at OPP Weekly Staff Meeting 4/3

All – Attached is the first draft of the PPDC agenda based on our discussion at last week's OPP weekly meeting, to be discussed at Monday's weekly meeting.

Also attached are some questions for you regarding the draft agenda as well as my proposed timeline for completing activities in preparation for the May 3-4 PPDC meeting (sending because I will not be available for your Monday meeting).

Thanks for your help!
